

## We are looking for international professionals searching for an employment!

- Are you **looking for a job**?
- Do you have a **foreign university degree** in STEM subjects, i.e. **Mathematics, Computer Science, Natural Sciences or Technology**?
- Do you have **B1 knowledge of German**?
- Do you live in **Baden-Württemberg**?

### INTERPROF-TECH is the right project for you!

#### Because we support you individually with your job search free of charge!

In the project INTERPROF-TECH you will be coached by our team to develop additional degrees of competence for your job search, for example in these areas:

#### 1. Job coaching & boosting your own strengths

- We consult and coach you on questions such as:
  - » How do I apply for a job in Germany?
  - » How do I develop and boost my personal strengths?
  - » Which strategies are there when finding a job?
- We will accompany you at job fairs and company visits.

#### 2. Communication and cross-cultural skills

- We conduct workshops, e-learning courses and trainings on topics such as German working culture and corporate communication.

#### 3. Project Management

- We conduct workshops, e-learning courses and trainings on the topic of „Fundamentals in Project Management“.

The project is funded within the framework of the IQ Network Baden-Württemberg („Integration through Qualification“) by the Federal Ministry of Labour and Social Affairs, the Federal Ministry of Education and Research and the Federal Employment Agency. Therefore, **it is free of charge for the participants.**
